**Important Notice - Sacramento (2/23) Has Been Canceled!**

We regret to inform you that 30 seconds to mars will not be playing tomorrow's TOC show in Sacramento (2/23). Jared went to the hospital this afternoon and against doctors orders played a show tonight in LA but unfortunately his health is dictating that we do not play tomorrow night's show in Sacramento. The band apologizes for this unforeseen circumstance, and promises to make it up to all of the fans. We are so sorry.

Please wish him well and that he has a speedy recovery!
